

# RIS Activities of PLATINA II

Common Issues Meeting, Berlin, 02.07.2014

Alen Pokos, CRUP

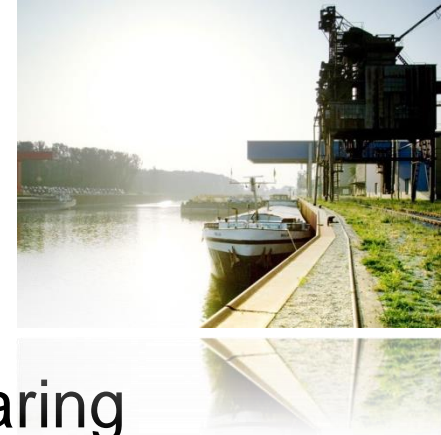

# RIS-Activities of PLATINA II (1/2)

- Assist RIS Expert Groups during RIS weeks in 11/2013 and 7/2014
- Maintain RIS Portal [www.ris.eu](http://www.ris.eu)
  - Taken over by CRUP in 11/2013
  - Updates of contents (e-news, update of „static“ content, project database, etc.) in cooperation with chairpersons of RIS expert groups
  - Prepare operational handover to EC (2016)

# RIS-Activities of PLATINA II (2/2)

- Identify Good Practices on RIS for transport & logistics (2/2015)
  - Disseminate and stimulate uptake by preparing Good Practice Manual
- Identify possible future European RIS (12/2015)
  - Feasibility studies and implementation scenarios
- Basis: RIS Policy Analysis identifying possible next steps and considering developments of Corridor management project

# Activities related to RIS Portal

- “Operation and enhancement of RIS community portal”
  - [www.ris.eu](http://www.ris.eu) - public portal
  - [eg.ris.eu](http://eg.ris.eu) – expert groups members portal
- To support and facilitate the development of harmonised River Information Services by maintenance and enhancement of a single portal on River Information Services ([www.ris.eu](http://www.ris.eu))

# Timeline

- PLATINA II started on the 09/2013
- [www.ris.eu](http://www.ris.eu) takeover finalized in the 11/2013
- First workshop held during the RIS week in Zagreb, 11-15 November 2013
- From the feedback of the workshop, continued work on update of the website contents and information provided

# Updates until 06/2014

- Providing up-to-date news and events information
- Updates to the Library and EG publications with the support from EG chairpersons
- Update of the portal content with regards to the developments in the past years and also PLATINA II, NAIADES II, TEN-T Regulation and Horizon 2020
- Update of the projects library in data and functionalities
- Linking to the data definitions prepared by PIANC and now operated by CCNR

# Next steps for PLATINA II team

- Continue providing up-to-date news and information on events
- Continue the updates of the portal contents
- Support the Expert groups work by means of community portal
- Keep communication with EG Chairmans
- Technical support of community portal by providing functionality and regular maintenance

# Invitation for involvement

- Invitation to chairpersons to provide feedback and information of the portal
- Invitation to EG members to provide feedback and information of the portal, especially on the national and non-TEN-T projects
